Poster Session: Poster Session 5 - Hall 1

Presentation Time: December 10, 2021, 7 - 8:30 a.m. CT (8 - 9:30 a.m. ET)

The poster will be accessible on Celcuity's website at the same time.

For more details about SABCS please visit: <https://www.sabcs.org/>.

About Celcuity

Celcuity is a clinical-stage biotechnology company seeking to extend the lives of cancer patients by pursuing an integrated therapeutic and companion diagnostic strategy. The company's therapeutic efforts are focused on developing molecularly targeted therapies that address the same cancer driver its companion diagnostics can identify. Its CELsignia companion diagnostic platform is uniquely able to analyze live patient tumor cells to identify new groups of cancer patients likely to benefit from already approved targeted therapies. Celcuity is headquartered in Minneapolis. Further information about Celcuity can be found at www.celcuity.com.
